

### WHAT ARE PRACTICE TESTS?

This year students in grades 3 through high school may take practice tests in English language arts (ELA), math, science, and social studies to help prepare them for the LEAP 2025 statewide tests.

Practice tests allow students to do the following

- become familiar with the testing format
- practice using the online tools for online tests
- respond to some of the types of questions they may find on the LEAP 2025 tests

Practice tests may help you better understand how the tests compare to classroom work, and see the types of ELA, math, science, and social studies questions your child will be responding to on the tests. Talk with your child’s teachers to see how they plan to use the practice tests as part of their lessons, and how you might help walk your child through the practice tests at home to help familiarize him or her with the format and features, and answer any questions he or she might have.

### HOW TO ACCESS THE PRACTICE TESTS?

2019 LEAP 2025 practice tests are available for ELA, math, science, and social studies at grades 3-8 and for English I, English II, Algebra I, Geometry, Biology, and U.S. History.

- Online practice tests are available at the links listed in the table below.
- Paper practice tests are available for grades 3 and 4 and are available on the Department’s website at [www.louisianabelieves.com/resources/library/practice-tests](http://www.louisianabelieves.com/resources/library/practice-tests).
- Answer key documents and accommodated materials (large print for grades 3-4, text-to-speech, human reader, Spanish math audio) are available for all practice tests on the Department’s website at [www.louisianabelieves.com/resources/library/practice-tests](http://www.louisianabelieves.com/resources/library/practice-tests).

### Accessing Online Practice Tests

- Parents can access the online practice tests by copying and pasting the following link into a **Google Chrome browser**: <https://wbte.drctdirect.com/LA/#portal/la/510848/ott/8/username/password/false>.

Below are the usernames by content area and grade level or course needed to access the online tests. **The password for all content areas, grades, and courses is teach2025.**
