

PARENT GUIDE TO THE → LEAP CONNECT STUDENT REPORTS ←

HOW DID MY CHILD PERFORM ON THE LEAP CONNECT THIS YEAR?

In the middle of each report is your child's overall performance information including:

- ✓ achievement level,
- ✓ scale score, and
- ✓ a list of skills your child is able to do in the specific content area.

STUDENT PERFORMANCE

LEVEL 3 **SCORE 1245**

OVERALL STUDENT PERFORMANCE - MATHEMATICS

Students performing at this level use built-in supports to show what they know and can do. A student is generally able to:

- solve addition, subtraction, and multiplication problems using mathematical language and symbolic representations (e.g., >, =);
- check the correctness of an answer;
- find the missing term in a list of numbers that follows a pattern;
- round numbers;
- identify figures divided into equal parts;
- compare fraction models;
- count unit squares to total the area of a rectangle;
- complete a bar graph.

Below the overall performance information is a chart of the score ranges for each LEAP Connect achievement level at your child's grade level.

The score ranges change slightly across grade levels and subjects.

	ELA	MATH
LEVEL 4	(1251-1290)	(1254-1290)
LEVEL 3	(1240-1250)	(1240-1253)
LEVEL 2	(1234-1239)	(1236-1239)
LEVEL 1	(1200-1233)	(1200-1235)

HOW DID MY CHILD DO IN COMPARISON TO OTHERS?

SYSTEM AVERAGE

LEVEL 3 **SCORE 1245**

STATE AVERAGE

LEVEL 2 **SCORE 1234**

This section includes the school system and state performance averages so you can see how your child's performance compares to that of other students in the same grade and subject area. To protect the privacy of students, data may be suppressed when school totals include a small group of students.

HOW SHOULD I, OR MY CHILD'S TEACHER, USE THESE RESULTS?

The scores will be used to help teachers identify students who need additional support or more challenging work in each subject area. The information will also be used to measure how well schools and school systems are helping students achieve higher expectations.

As a parent, you can use the test results to guide a discussion with your child's teacher(s) about additional supports or enrichment that may be needed in class and at home.

HERE ARE SOME SUGGESTED QUESTIONS TO ASK WHEN DISCUSSING THE RESULTS WITH YOUR CHILD'S TEACHER(S):

- Where is my child doing well and where does he or she need improvement?
- What can be done in the classroom to help improve his or her area(s) of weakness?
- What can be done to appropriately challenge my child in areas where he or she exceeds the expectations?
- How can I help support my child's learning at home?
- How do we ensure that my child continues to progress?
