Sessions

After the General Session, participants will divide into their district for University Content then will have the opportunity to choose **two** sessions. All sessions are filled on a first come, first served basis.

Session Topics	Session Title	Session Description	Recommended Audience
School System Planning	Opening Session, Universal Content for Principals	In this opening session, participants will learn about the new school system planning framework and how it supports the development of coherent school-based plans. This session will then frame the content for the rest of the day's sessions, specifically how they connect the key components of the planning framework to next steps for 2019-2020.	All
Academic Content	Supporting Students who Struggle in ELA and Mathematics	Participants will learn about a framework, tools, and specific approaches to support students who struggle in ELA and/or Mathematics.	All
Accountability & Assessment	Verifying Graduation Data for High Schools and Alternative Schools	This session will provide an opportunity for participants to review and discuss the verification of graduation data, the review of exit codes, and the collection and verification of data used in the new alternative school accountability system.	All
Student Opportunities	Financial Aid Planning: A Critical Component to Post-Secondary Success	This session will explore the resources and strategies available to school systems to support student's accessing funding to support post-secondary success.	All
Talent	Effectively Utilizing and Supporting Mentor Teachers	This session will explore strategies to effectively use Content Leaders including how and when Content Leaders should redeliver modules. Explore newly created tools for providing feedback to your content leaders by reviewing draft versions of the content leader rubric. Participants will have an opportunity to provide feedback on this tool as well as discuss the possibility of piloting this tool.	All

Session Topics	Session Title	Session Description	Recommended Audience
Talent	Educator Preparation: Mentoring in Post-Baccalaureate Preparation	In this session, supervisors will learn about efforts in rural communities to pilot innovative models of post-baccalaureate preparation.	All
Louisiana Association of Principals	EdCamp Rotations	This session will use an interactive mini-model session to provide participants with a purpose and vision for Edcamps. Participants will also learn practical advice for running an Edcamp. There will be three mini sessions during this workshop facilitated by LPOY finalists and SPOY. It is critical that participants are encouraged to actively self-select the best content and sessions. Feel free to leave sessions that do not meet your needs and jump into another one.	All
