Understanding the Matching Process

1. We honor family choice first.
 - a. Families rank their choices in order of preference
 - b. We will try to match students to their top choice, or one of their top choices
2. Some schools have more applications than seats.
 - a. When that happens, we use the following priorities to help decide which students get seats first:
 - (1) Students transferring from a closing Scholarship school
 - (2) Current NSECD students, if applicable,
 - (3) Siblings of current Scholarship students,
 - (4) Current scholarship student applicants that are in a transition grade,
 - (5) Students transferring from a sanctioned Scholarship school
 - (6) Applicants residing in the same parish as the school, if applicable,
 - (7) Applicants attending a D, F, T school,
 - (8) Applicants attending a C school,
 - (9) Applicants seeking to transfer from one scholarship school to another.

Please note, wherever possible, we try to ensure that siblings stay in the same school. Siblings are defined as sharing the same parent/guardian and/or home address.

Please indicate on the application the names of siblings in the appropriate area in order to receive priority. Please note that priority is only assigned if a sibling is a current Scholarship student enrolled in the Scholarship school to which you are applying.

Students with Disabilities:

The Louisiana Department of Education does not consider a student's disability when matching students to schools. Some Scholarship schools may offer additional education services for students with disabilities, but all schools must enroll all students awarded, regardless of disability. Please check with the school(s) of your choice before listing it on your child's application to ensure it is able to meet your child's needs.

How to Prove Eligibility

PROVING INCOME ELIGIBILITY

In order to be eligible to receive a Scholarship, families must submit **proof of income** by bringing one of the following documents to the first choice school site listed on their application.

The following documents are accepted for INCOME verification:
• 2017 Federal Tax Return, total income
• Most recent unemployment compensation statement
• Alimony as shown in court decree or agreement
• DCFS placement form, in the case of foster children
• Most recent pension statements
• Most recent Social Security benefits statement
• SNAP Benefits
• Louisiana Purchase Card Budget Sheet or Benefits Statement

RESIDENCY VERIFICATION

In order to be eligible to receive a Scholarship, families must submit **proof of residency** by bringing one of the following documents to one of the schools listed on their application.

The following documents are accepted for RESIDENCY verification:
• Rental lease agreement or mortgage
• Electricity/Gas Bill
• Telephone Bill (Must be a landline - cellular phone bills will not suffice)
• Cable/Internet Service Bill
• Sewerage/Water Bill
• Current Official Letter from a Government Agency (DSS, DHH)
• Homestead Exemption Notice
• Property Tax Notice
• If a family does not own or rent the home they live in (for example, they are temporarily staying with relatives during a housing search) the owner/renter of the house they are living in must submit a notarized letter confirming the family lives with them. They will also be required to submit proof of residence in that person's name.

PRIOR YEAR SCHOOL ELIGIBILITY

- Eligible students entering grades 1-12 must have attended a school with a grade of C, D, F or T during both the October 1, 2018 **AND** February 1, 2019 public school count dates. Students who did not attend such school on those count dates will not be eligible for a Scholarship.
- Students applying to kindergarten must be entering kindergarten for the first time and must be 5 on or before September 30, 2019.
- Because eligibility will be determined after the application window has closed, **we cannot guarantee your eligibility at the time of submission.**
- Being determined eligible does **NOT guarantee** a seat at a Scholarship school.

Frequently Asked Questions

What is the Louisiana Scholarship Program?

The Louisiana Scholarship Program is a program designed to provide students with additional opportunities to attend the school of their choice. Applicants are eligible to receive state-funded Scholarships to enroll in participating nonpublic schools or high performing public schools.

How do I know which schools are participating in the program?

A list of participating schools is available online at www.louisianaschools.com.

Does it matter how quickly I apply?

No. There is no preference for early applications. All qualified applicants who meet the deadline will have an equal chance of selection, regardless of whether they are the first or the last to submit an application.

Do I need to turn in an application at each school I rank on my application?

No. You only need to turn in one application. You may rank up to five schools on your application, and our matching program will determine which school your child matches with. You only need to submit one application, no matter how many schools you rank.

What will the program cost me?

The program is free to all qualifying students. For nonpublic schools, the Scholarship will cover the full amount of a school's tuition and required fees, up to the maximum state allocation per student. However, we encourage you to reach out to schools of interest to see what services are included.

Public schools will receive the full value of the maximum state allocation.

Funds will be paid directly to the school on behalf of the student. Uniforms and any optional fees, including field trips and lunch (if school does not participate in the free and reduced-price lunch program) will be your responsibility.

Where can I find a list of C, D, F or T schools?

<http://www.louisianabelieves.com/docs/default-source/school-choice/eligible-public-school-list.xlsx>

Do all students who apply to the program receive Scholarships?

The Louisiana Department of Education will attempt to place as many applicants as possible in their preferred school choice; if the number of applicants exceeds the number of seats available at a specific school and grade level, then those Scholarship seats will be awarded through an unbiased lottery process. Acceptance in another school may be available on a limited basis and not guaranteed.

Will participating schools provide transportation?

Providing transportation for all Scholarship students is not a requirement of this program. Please check with the participating school of your choice to determine if transportation services are available.

Where can I get more information?

For more information about the Scholarship Program, please visit the program's website at <http://www.louisianabelieves.com/schools/louisiana-scholarship-program>, email studentscholarships@la.gov, or call the Louisiana Department of Education's Help Center at 1.877.453.2721. The Help Center is available Monday through Friday, 8 a.m. to 4:30 p.m.

How does this program serve students with disabilities?

The Louisiana Department of Education does not consider a student's disability when matching students to schools. Some Scholarship schools may offer additional education services for students with disabilities, but all schools must enroll all students awarded, regardless of disability. Please check with the school(s) of your choice before listing it on your child's application to ensure it is able to meet your child's needs.

What if my child is entering a grade their current school does not serve?

You must submit a new application and list choices that serve the appropriate grade, but you are not required to re-submit eligibility documentation. Students in transition grades receive preference in the lottery but are not guaranteed a placement. If you do not submit an application, your child will not receive a placement for next year.
