

## **Review of District Stimulus Plans (Consistent Topics Submitted by LEAs)**

**On January 28, 2009, the LDoE requested each LEA to submit a plan for possible expenditure of anticipated funds from the stimulus package. A group of LDoE staff reviewed each plan to identify common components. The list below is a compilation of these components and was used to develop the agenda for this institute. Please note that this list was generated from LEA recommendations; some items may not be allowable expenses for the stimulus funds.**

### Technology

- Empowering Academic Achievement through Technology
- Technology Integration Directly Related to Instruction
- Technology Expansion (Computer labs, Smart Boards, Promethean Boards, Project Lead the Way)
- One-to-One Computer Initiative
- Electronic IEP Monitoring
- READ 180/System 44
