

Superintendents' Institute

"Partnership for Success - Effective Use of Stimulus Funding to Impact Student Achievement"

March 23, 2009

Evaluation

The goal of this Institute is to create alignment between the Louisiana Department of Education and the local school districts to effectively use stimulus funding to positively impact student achievement. This alignment will enable Louisiana to successfully compete for the "Race to the Top" Competitive Grant.

Your position:

District Superintendent Other (specify) _____

My overall evaluation of the Institute is (1-lowest to 5-highest):

1 2 3 4 5

The information presented was:

- Easy to understand
- Challenging but useful
- Difficult because ...

What I enjoyed about the sessions ...

My understanding about the effective uses of the stimulus funds was enriched because ...
