

Shortening Louisiana's Assessments

October 8, 2024

Shortening ELA & Mathematics

- Reduction of ELA & Math testing by approximately 20% grades 3-8

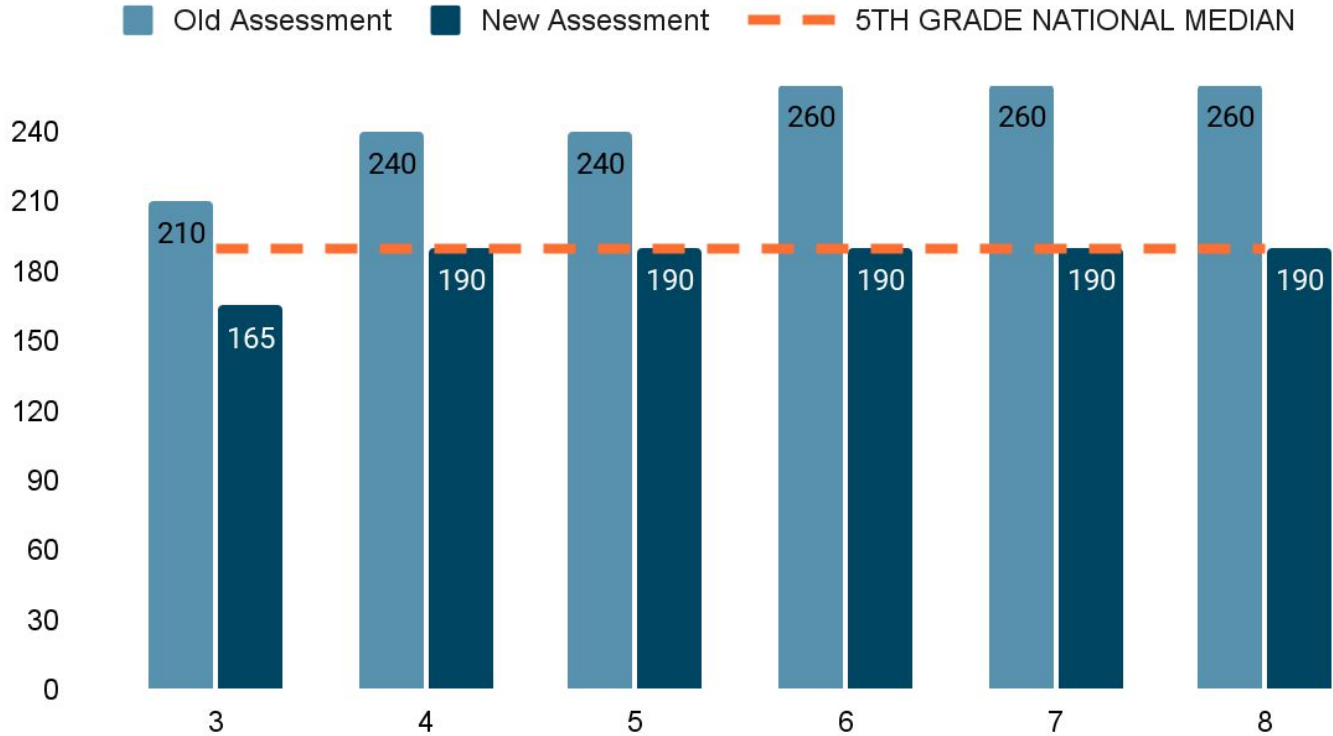

Shortening ELA & Mathematics

- This amount of reduction is a responsible approach to gradually reducing time spent on standardized testing without affecting accuracy.
- ELA will be reduced by about 45 to 70 minutes per grade.
- Math will be reduced by about 40 minutes per grade
