2023-2024 Academic Recovery Acceleration Plan

W7B - Lafayette Charter Foundation

Needs Assessment

How will the LEA identify needs to address: 1. Student attendance and well-being, 2. Academic recovery and acceleration, 3. Professional learning and development, 4. School safety and operations, and 5. Data infrastructure (check all that apply)

- ☒ Student demographic data, such as race or ethnicity, FRPL eligibility, or English learner status
- ☒ Student outcome data, such as assessments, readiness exams, literacy screeners, etc.
- ☒ Student individualized education plans/ 504
- ☒ Student enrollment and attendance data
- ☒ Student chronic absenteeism/ truancy data
- ☒ Student instructional mode (virtual, hybrid, in-person)
- ☒ Student course enrollment data
- ☒ Educator effectiveness data
- ☒ Educator certification data
- ☒ Conversations with community (stakeholder input)

- ☒ By clicking this checkbox I confirm the data indicated above will inform the school systems plan for addressing:
    1. Student attendance and well-being,
    2. Academic recovery and acceleration,
    3. Professional learning and development,
    4. School safety and operations, and
    5. Data infrastructure.

Recovery and Acceleration

Key Investment: Targeted Learning

Funding Source and Amount

ESSER III Formula

$387,540

How will the LEA allocate funds to students most impacted by the COVID-19 pandemic? (Please describe the formula or decision-making rubric to allocate funds across schools.)

Evidenced based strategies that result in student outcomes include vertical planning in all grade levels, summer teacher scope and sequence planning sessions, diagnostic and growth monitoring checks within iReady, mastery standards grading practices, after school tutoring, and response to intervention groups. Academic tutoring groups will be decided using data form iReady for both reading and math. Academic tutoring will happen during the school day, diaily, utilizing RTI time and will be offered after school. iReady toolbox materials are prescriptive and used for targeted learning of individual students. Progress monitoring will be completed on each individual student at least once per grading period and that data used to determine next steps - more intensnive tutoring or move forward and accelerate learning based on growth. Data will be used to determine next steps for individual students always to best meet academic needs in reading and math.

Which evidence-based activities will the LEA invest in? (check all that apply)

- ■ High-dosage tutoring (ELA and Math) (If tutoring takes place during summer school or before or after school programs, please use those categories.)
    - Partner with high-quality vendors to provide tutoring during the school day
    - Tutoring provided by LEA educators who have been trained in providing high-quality tutoring during the school day
- ■ Literacy interventions and extensions
- ■ Reading screener three times a year (K-3)
- ■ High-quality quality curriculum
    - ELA Guidebooks
    - Bayou Bridges (Social Studies)
    - OpenSciEd Pilot
- ■ High-quality assessments aligned with instructional materials
- ■ Professional learning to teachers aligned with high-quality materials

Will the LEA serve students in grades three through eight in the 2023-2024 academic year?

- ■ Yes

If yes, please explain how the LEA will provide expanded academic support for students in grades three through eight who failed to achieve mastery on any statewide assessment administered pursuant to the state's school and district accountability system in reading or math in the previous academic year? (All areas outlined in RS 17:100.13 should be addressed)

Funding Source and Amount

Local Funds

$1,000

Which activities will the LEA invest in to improve data systems, ensure internet safety, and implement effective cybersecurity practices? (check all that apply)

☒ Upgrade cybersecurity via firewalls

☒ Upgrade data systems and reporting

Describe how the LEA is upgrading and/or ensuring proper cybersecurity and system upgrades are being implemented/planned.

Lafayette Renaissance Charter Academy is a member of Charter Schools USA. Charter Schools USA takes care of the majority of our cybersecurity and system upgrades for data storage through our membership with them. In addition, we do have an IT technician on staff who is full time and takes care of immediate needs.

Data Infrastructure 2023-2024 Total Funding Committment
