How will the LEA implement the Louisiana Math Refresh across their sites?

Sherwood Forest will provide teachers and students access to high-quality curriculum and resources for on-level core math instruction. Once available, school leaders will use the Math Refresh Leader Toolkit to build capacity and understanding in order to support math instruction. Students will receive daily individualized interventions that connect prerequisite learning to current and upcoming grade-level work. We will also implement Zearn and commit to at least three lessons per week. Teachers and leaders will participate in weekly and biweekly data conversations to monitor student progress and modify interventions when necessary. Ongoing and onsite professional learning will be provided to teachers and paraprofessionals to ensure effective math instruction. Our learning community will also engage families to support student's academic success.
