K-2 Knowledge Building Cards: Growing Social Studies Understanding

Overview

To support K-2 social studies instruction and the initial implementation of the K-2 Knowledge Building Cards, the Louisiana Department of Education (LDOE) is hosting in-person, regional professional learning opportunities this summer at no registration costs to systems.

Why?

This half-day workshop (12:30 p.m. - 3:30 p.m.) will provide opportunities to:

- identify and describe how social studies content knowledge and vocabulary are built in early elementary grades;
- practice and plan knowledge-building activities using the K-2 Knowledge Building Cards and High Quality Instructional Materials (HQIM), such as [Bayou Bridges](#); and
- receive a free grade-level set of K-2 Knowledge Building Cards.

Who?

This opportunity is open to system and school leaders, as well as to any formal, community-based, or pre-service K-2 social studies educators who will support or teach K-2 social studies in the upcoming school year.

How?

To request a seat in one of the half-day sessions, complete the [registration form](#) by **June 30**.

While the professional learning opportunity is free of charge, participants or their systems will be responsible for any additional costs, including stipends, travel, meals, etc. Seats are limited and will be reserved on a first-come, first-served basis. Additionally, grade-level sets of K-2 Knowledge Building Cards are limited and will be available on a first-come, first-served basis based on registration.

Please contact socialstudies@la.gov with any questions.
