

Family Math Engagement
Grab & Go: Compare Objects

This activity would be
best used by:

Schools Families

Materials:

- Various objects to compare lengths. For example, pencils, pens, crayons, blocks, etc.

Steps:

- Ask children to compare objects. For example,
 - Look at our feet. Whose foot is **bigger**? Whose foot is **smaller**?
 - You are growing! Who are you **taller** than? Who are you **shorter** than?
 - Compare two toys. Which toy is **longer**? Which toy is **shorter**?
