

Family Math Engagement
Grab & Go: Geometry - Position

This activity would be
best used by:

Schools Families

Materials:

- this activity does not require materials

Steps:

1. Talk with the children about shapes in the environment or in a picture. For example,
 - a. My bookshelf is **beside** my bed.
 - b. The sun is **above** my head.
 - c. My friend is **behind** me in line.
 - d. I sit **next** to my sister on the sofa.
