Social Studies Walkthrough Tool: Professional Learning for Leaders

Overview

To support the initial implementation of the Social Studies Walkthrough Tool to strengthen educator development, the Louisiana Department of Education (LDOE) is hosting in-person, regional professional learning opportunities this summer at no registration costs to systems. This tool is designed to strengthen social studies instruction by supporting targeted coaching following the use of the full Louisiana Educator Rubric (LER) evaluation rubric.

Why?

This half-day workshop (8:30 a.m. - 11:30 a.m.) will provide opportunities to

- identify the features of the Social Studies Walkthrough Tool;
- utilize the Walkthrough Tool to score a model lesson; and
- utilize the indicator explanations and recommended resources to provide specific, actionable feedback to teachers.

Who?

This opportunity is open to system and school leaders who will observe social studies instruction, provide feedback, and offer coaching to teachers in the upcoming school year.

How?

To request a seat in one of the half-day sessions, complete the [registration form](#) by **June 30**.

While the professional learning opportunity is free of charge, participants or their systems will be responsible for any additional costs, including stipends, travel, meals, etc. Seats are limited and will be reserved on a first-come, first-served basis.

If you have any questions, reach out to socialstudies@la.gov.
