

Literacy and Numeracy Teacher Collaboration Facilitator Training

As part of LDOE's numeracy and literacy initiatives, LEAs requested funding for a [Teacher Collaboration \(TC\) Facilitator](#) at eligible CIR or UIR-A schools. This on-site instructional leader supports teacher collaboration and effective implementation of high-quality instructional materials. TC Facilitators are required to attend four trainings each year — three regional sessions and a final session at the [2027 Teacher Leader Summit](#). Additional seats are available for district and school leaders who wish to attend the regional trainings. Regional training dates are provided below.
