

LAND OF LIBERTY

The History of the United States

How Do I Access and Purchase *Land of Liberty: A History of the United States*?

[Land of Liberty: A History of the United States](#) is a curriculum that is easy to access and use. These units can be used, adapted, shared, and printed without permission as long as all copies or adaptations clearly state the license terms of this work. Please credit the source in accordance with the [Creative Commons Attribution–NonCommercial 4.0 International license \(CC BY-NC 4.0\)](#). Materials can be accessed at the [Land of Liberty: A History of the United States web page](#) and the [Core Knowledge website](#). Low-cost print copies of these materials are also available for purchase.

Whether using downloaded or printed options, for successful implementation, be sure to include: teacher guides, instructional slide decks, student volumes, student activity pages, and DBQ Workbook. Access decisions are local.

Core Knowledge is available to provide quotes and receive orders for high-quality, color-printed materials of [Land of Liberty: A History of the United States](#). Please submit your requests for print materials as soon as possible to LA@coreknowledge.org.

In your e-mail, include the following details:

- The number of students and teachers for each class at each school
- Billing and shipping addresses
- Student and teacher quantities that belong to each shipping address
- Any other key information, such as the recipient's name

For additional information about Land of Liberty, access the [Land of Liberty web page](#) or contact socialstudies@la.gov.
