

Directions for PARCC Assessments Limited Data Review

Introduction

The Louisiana Department of Education is providing districts/schools with a final post-data certification accountability assessment roster through secure FTP, which includes approved corrections submitted by districts/schools in September, as well as achievement levels for grades 3-8 PARCC ELA and mathematics. These data will be used in the calculation of school and district performance scores, as well as for subgroup AYP. Definitions for all data displayed in the roster are located in the Data Layout Table beginning on page 2. Links to all sections of this document are listed below:

Accountability Codes

Codes for Students Taking PARCC, LEAP, iLEAP, EOC, ACT, and LAA 1 Who Are Not Enrolled (Have Exited) Before or During Testing

If the student **exits** (withdraws) from school before or during testing, code one of the following **SIS Exit Reason Codes** in the first two columns of Section V (LEAP and *i*LEAP) or Section R (LAA 1) starting at the left OR in the appropriate field of the EOC/ACT online system.

ALL TESTS	Accountability Codes and Descriptions (Student record in SIS must match code used for test.)
•	01 – Expelled (out of school) or out of school awaiting expulsion hearing
•	02 – Dropped Out (Including transfers to Youth Challenge, Job Corps, and Volunteers of America)
•	03 – Illness: Student intends to return to school (long-term illness; student withdraws from school). Use Code 03 if the student has been exited from school due to extended illness and plans to return. This illness is NOT a short-term illness that requires a doctor's letter.
•	04 - Diploma
•	05 – GED Only
•	06 – Certificate of Achievement
•	07 – Death (of student)
•	08 – Transferred to another public, charter or lab school within district
•	09 – Transferred to another public, charter or laboratory school within Louisiana, but outside your district
•	10 – Transferred out of state or country

•	11 – Transferred to Adult Education
•	12 – Transferred to correctional institution (Younger than age 17)
•	13 – Transferred to Vocational Technical School
•	14 – Transferred to nonpublic school
•	15 – Reassignment to another grade (changed grade of student)
•	16 – Transferred to home study/in-home private schooling
•	19 – Exit from Non-mandatory Program
•	22 – Completer: GED & Industry Based Certificate
•	24 – Completer: Industry Based Certification
•	27 – Exit under SBESE Academic School Choice Policy
•	28 – Exit under SBESE Unsafe School Choice Policy
•	34 – Correctional Institution/State Custody (Age 17 or older)
•	35 – Transferred to LEA monitored Adult Education to pursue GED
•	36 – Completer: (State Approved Skills Certificate): Skills Certificate Only
•	37- Disaster Exit
•	97 – Unknown

Codes for Students Who Are Enrolled (<u>Have Not Exited</u>) But Do Not Complete Testing Using Precoded Materials

If the student is enrolled during testing but did not complete testing for one of the following reasons, the principal must use one of the following codes (80, 90-91, 95-96, and 98-99):

PARCC	LEAP	<i>i</i> LEAP	ACT	LAA 1	EOC	Accountability Codes and Descriptions
•	•	•	•	•	•	80 – The student is absent for entire test period or does not take all of the subtests due to short-term illness.
	•	•	•	•		90 – The student completed the entire indicated test on another answer document. VALID ONLY IN CLEANUP (not valid bubbled on an answer document)
•	•	•	•	•		91 – The student used a hand-coded answer document instead of precoded materials. Use code 91 on the unused precoded materials that were found.
				•		95 – A high school student receives LAA1 precoded materials but is not in the 10th or 11th grade or has met graduation requirements.
			•	•	•	96 – The student is in third year assessment cohort but is not required to take English II and/or Algebra I because they are LAA 1 or have earned the credit for the course(s) prior to entry into Louisiana schools. Also use for LAA 1 students who are not required to take the ACT.

•	•	•	•	•	•	98 – Precoded materials are received for a student, who was misclassified during the precode process, but the student does not need the precoded materials or student has precoded materials for a different test. (Use code 15 if the school changed the student's grade level in SIS)	
					•	99- Student is no longer enrolled in EOC-eligible course. This code cannot be used for a student that earns an F for the class on the transcript.	

Codes for LEP Students Who Are Enrolled (Have Not Exited) and Complete Testing

If the student is enrolled during testing and completes testing but meets the following criteria, the principal must use the following code (81) for the student's results to be handled with special consideration:

PARCC	LEAP	/LEAP	ACT	LAA 1	EOC	Accountability Codes and Descriptions
•	•	•	•	•	•	81 – The student is LEP and has completed less than one full academic year in a school in the United States. All LEP students must participate in testing. Answer document cannot be blank.

Documentation Requirements for Use of an Accountability Code

Code 01 (Expulsion): Due process documentation supporting expulsion.

Code 02 (Dropout): Withdrawal form¹ signed and dated by an authorized representative of the school district.

Code 03 (Long-term illness): Withdrawal form¹ and letter from the doctor stating the student's first date of absence written on the doctor office's letterhead stationery and has the doctor's original signature.

Code NM: Current IEP entered into SER prior to testing with appropriate LAA tests checked.

Code PT: If student has a complete score, school should submit score report from the vendor.
