

## 2023 Louisiana Exemplary Educator Recognition Program

The Louisiana Department of Education is proud to announce the 2023 Louisiana Exemplary Educators. These are exceptional educators who exemplify Louisiana's education profession. Honorees were recommended by their school systems for this recognition through a confidential process where the candidates were unaware of their recommendation.

In acknowledgement of being named an Exemplary Educator, these individuals will receive a certificate of recognition and may be invited to participate on Louisiana Department of Education advisory boards and task forces, as well as be considered for other recognition programs.

Congratulations to these exemplary educators!

2023 Louisiana Exemplary Educators
