

# 2026 Students of the Year Regional Honorees

The Louisiana Department of Education is proud to announce the **2026 Students of the Year Regional Honorees**. In conjunction with the Louisiana Board of Elementary and Secondary Education (BESE), the Department recognizes outstanding fifth, eighth, and twelfth-grade students who have demonstrated excellence in leadership, academic performance, achievements, citizenship, and service to the school and community through the Students of the Year program. Regional honorees were selected through public, charter, and nonpublic zone reviews per each BESE region. From this outstanding group of students, one honoree per BESE region will be named a finalist. Finalists will be announced later in the school year and celebrated at an awards ceremony where the overall honorees, one per grade level, will be named.
