

LOUISIANA SCHOOL PHYSICAL ACTIVITY Award

The Louisiana Department of Education recognizes healthy and physically active students tend to have better grades, school attendance, cognitive performance, and classroom behaviors. Additionally, schools play a vital role in allowing students the opportunity for regular physical activity before, during, and after school. To recognize outstanding public elementary and secondary schools that are implementing an outstanding physical activity program, the Department will be recognizing and honoring exemplary schools through the School Physical Activity Award program. An exemplary school for this award must demonstrate physical activity throughout the day that includes: physical education classes, physical activity before and after school, physical activity during school hours, family and community engagement activities, and staff involvement.
