

LOUISIANA SCHOOL HEALTH SERVICE PROVIDER *of the Year*

The Louisiana Department of Education recognizes that student health plays a vital role in education and that school health providers are the critical link in ensuring health service delivery to students. Through the School Health Service Provider of the Year program, the Department recognizes and celebrates some of the state's most exceptional occupational therapists, physical therapists, speech-language pathologists, audiologists, nurses, nurse practitioners, licensed practical nurses, and licensed behavioral health providers (LCSW/LMSW, LPC, and psychologists). This program provides an opportunity to acknowledge school health service providers who demonstrate superior provision of health services in schools and support the expansion of health services in schools.
