25-03	<p><i>Nepris Exercise:</i> How Networking Was Important to My Success <a href="https://nepris.com/video/gno-wow-week-networking-building-right-relationships-for-your-career-46884">https://nepris.com/video/gno-wow-week-networking-building-right-relationships-for-your-career-46884</a></p> <p>Ernesto Posadas is the New Orleans Sales Executive for Copa Airlines.</p> <p>As the youngest member of the company, and the first United States based employee, Ernesto knows the important role networking plays in one's professional success. If he hadn't been a member of the local Hispanic Chamber of Commerce, he wouldn't have the job he has today.</p> <p>Ernesto walks students through various ways they can become involved at a young age to practice their networking skills. Examples include: student government, community volunteering, engagement with local faith-based organizations, and much more.</p>
