
Culminating Exercises: Develop / Make a Business Pitch

(Updated: June 16, 2017)

The culminating task for this section is to make a business pitch – any business pitch, of any type.

This task has three parts, as indicated on resource 27-05:

- 1) practice presentation;
- 2) video review / personal assessment of presentation style; and
- 3) presentation to an unfamiliar workplace adult.

Good luck!
