1. Definition of Caregiver - any person legally obligated to provide or secure care for a child, including a parent, legal guardian, foster home parent, or other person providing a residence for the child.
2. Laws, Regulations and Standards. Provider will comply with all applicable state and federal laws, regulations, and other standards and requirements, as amended, in providing services under this Agreement, which include but are not limited to:
  - a. Federal certification requirements for Department of Defense child care centers.
  - b. all applicable laws concerning the use of child safety devices (car seat belts, child restraining seats, infant carrier seats, etc.) in the transporting of a child receiving care from a Provider under this Agreement, including Louisiana R.S. 32:295, the Occupant Protection Enforcement Information Law. This provision applies to all types of vehicles used for transportation as part of the child care services furnished by the Provider,

- c. R.S. 46:2701, the Children's Product Safety Act, which requires child care providers to use only safe children's products, meaning those that have not been recalled (baby beds, playpens, high chairs, etc.),
- d. state and federal laws concerning confidentiality of information about the children for whom care is provided and their families,
- e. As applicable to the Department of Defense, the Federal Civil Rights Act of 1964, as amended, including but not limited to, those provisions guaranteeing equal opportunity to all seeking access to services without regard to race, color, religion, sex or national origin,
- f. mandatory reporting requirements with respect to suspected child abuse and neglect,
- g. Public Law 103-227, part C-Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994. This act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments. The law does not apply to children's services provided in facilities funded solely by Medicare or Medicaid funds. Failure to comply with the provisions of law may result in the imposition of a civil monetary penalty of up to \$1,000 per day, and
- h. all laws, rules, and regulations for any programs for which federal or state funds are received.

**Supervision:**

- 4. Children shall be supervised at all times at the facility, on the playground, on field trips, on non-vehicular excursions, as follows:
  - a. Children shall not be left alone in any room, (except the restroom as indicated in section 17.G of this Section), outdoors, or in vehicles, even momentarily, without staff present.
  - b. A staff person shall be assigned to supervise specific children whose names and whereabouts that staff person shall know and with whom the staff person shall be physically present. Staff shall be able to state how many children are in their care at all times.
  - c. Individuals who do not serve a purpose related to the care of children or who hinder supervision of children in care shall not be present at the facility.
  - d. While supervising a group of children, staff shall devote their time to supervising the children, meeting the needs of the children, and participating with them in their activities.
  - e. Staff duties that include cooking, housekeeping or administrative functions shall not interfere with the supervision of children.
  - f. Restrooms - Children who are developmentally able may be permitted to go to the restroom independently at a facility, provided that a staff member is in proximity to and can see the children to ensure immediate intervention to safeguard a child from harm while in the restroom; and individuals who are not staff members may not enter the center restroom area while in use by any child other than their own child. A child age four and older may be permitted to go and return from the restroom without staff.
  - g. When children are in the yard, the staff member must be able to summon another staff member without leaving the children unsupervised.
  - h. Staff shall actively supervise children engaged in all water activities.

**Serving Special Populations:**

- 5. Pursuant to Title III the Americans with Disabilities Act (ADA), child care centers, regardless of size or number of employees, including home-based centers:
  - a. must provide children and caregivers with disabilities with an equal opportunity to participate in the child care center's programs and services;
  - b. cannot exclude children with disabilities from their programs unless their presence would pose a direct threat to the health or safety of others or require a fundamental alteration of the program;
  - c. have to make reasonable modifications to their policies and practices to integrate children, caregivers, and guardians with disabilities into their programs unless doing so would constitute a fundamental alteration;
  - d. must provide appropriate auxiliary aids and services needed for effective communication with children or adults with disabilities, when doing so would not constitute an undue burden; and

- e. must generally make their facilities accessible to persons with disabilities. Existing facilities are subject to the readily achievable standard for barrier removal, while newly constructed facilities and any altered portions of existing facilities must be fully accessible.
  - f. Under the McKinney-Vento Homeless Assistance Act, LEAs must identify children and youth in homeless situations and provide appropriate services. This must be done for all children attending publicly-funded school programs, including publicly-funded early childhood programs.
6. Provider must take the Pre-Service Orientation prior to initial certification. Verification must be submitted to the Department as a part of your application for certification.
7. Provider is required to have training in the ten safety and health topics listed below as a CCAP provider:
- a. prevention and control of infectious diseases (including immunization)
  - b. prevention of sudden infant death syndrome and use of safe sleeping practices (if applicable)
  - c. administration of medication, consistent with standards for the caregivers consent
  - d. prevention and response to emergencies due to food and allergic reactions
  - e. building and physical premises safety, including identification of and protection from hazards that can cause bodily injury
  - f. prevention of shaken baby syndrome and abusive head trauma (if applicable)
  - g. emergency preparedness and response planning for emergencies resulting from a natural disaster, or a man-caused event
  - h. handling and storage of hazardous materials and the appropriate disposal of bio contaminants
  - i. precautions in transporting children (if applicable)
  - j. first aid and cardiopulmonary resuscitation (CPR) certification

**BESE Bulletin 139.** Provider will comply with all aspects of Bulletin 139—Louisiana Child Care and Development Fund Programs as follows, but not limited to the following:

8. Provider understands and agrees that provider is entering into this Agreement in an independent capacity and that neither the provider nor any of the owners, officers, directors or employees of the center are hereby made employees of the state or federal government or entitled to government benefits.
9. Agreement covers a single provider and location. This Agreement covers the center located at the certified address provided on page one and is not transferrable to another location of the same provider or to another provider.
  - a. Provider shall furnish care to CCAP eligible children at the center located at the certified address provided on page one.
  - b. This Agreement does not cover, and no payments may be made for care provided at any other address or for care provided by any other provider.
10. Caregiver Access. Provider shall allow caregivers to visit their children and the center at any time during the center's regular hours of operation and when children are present.
11. This Agreement does not guarantee the placement of any child in the Provider's center. The Department does not recommend any child care provider; it is the right of caregivers to make this choice from among all participating providers in their area.
12. Providers are prohibited from the use of corporal punishment such as, but not limited to, spanking, whipping with a switch or belt, arm twisting, or washing out mouth with soap or other foul tasting substances.
13. Emergency Preparedness. Providers will develop, practice and train on, and follow, a written emergency preparedness disaster plan that includes at a minimum:

- a. procedures for evacuation, relocation, shelter-in-place, lock-down, communication and reunification with families, continuity of operations, accommodations of infants and toddlers (if applicable), children with disabilities, and children with chronic medical conditions;
- b. procedures for all staff and volunteers working at the facility where care is provided; and
- c. posting in a visibly accessible area all appropriate emergency phone numbers, such as fire and police, hospitals and Louisiana poison control, and the physical address and phone number of the facility.

**14. Rates**

- a. Provider shall complete the Child Care Assistance – Report of Changes Form (CCAP 10) and shall charge the rate provided on the form.
- b. Provider shall not charge the caregiver of a CCAP eligible child any more than the maximum rate charged to any caregiver who is paying privately for the same child care service.
- c. Copay Requirements
  1. Federal CCAP rules require that the Provider must charge caregivers the rate provided on the current CCAP 10 form and must collect the difference between the rate charged and the amount of CCAP assistance received. This difference is the caregiver's "copay".
  2. Caregivers of children in foster care or in protective custody are not obligated to pay the copay because the CCAP subsidy percentage paid for children in foster care or protective custody is 100 percent of the maximum state rate or the provider's rate, whichever is less.
  3. Caregivers of a child in foster care or protective services may choose to place his/her child in a center with a rate that is higher than the maximum state rate, but the caregiver is responsible for the difference between the maximum state rate and the provider's rate. Arrangements for the payment of this difference are between the caregiver and the provider. The Department will not be a third party to such an Agreement or responsible for any additional payments above 100 percent of the maximum state rate.
  4. Provider may not charge for absences of children in foster care or in protective custody.

**15. Payments to Provider**

- a. Payment to the provider will be based on a percentage of either the Provider's actual charge or the state maximum rate for the authorized services, whichever is less.
- b. Payment will not be made for absences for more than five days for a child in any calendar month or for an extended closure by Provider of more than five days in any calendar month. A day of closure, on a normal operating day for the Provider, is counted as an absent day for the child(ren) in the Provider's care. If a child authorized for full-time care attends child care less than four hours in one day, this will be counted as a half day absent and half the daily rate will be paid to the Provider. No absences will be paid for part-time care.
- c. Payments will not be made for any days after the last day that authorized care was provided. Days when the Provider is unable to provide care will count as days of absence for the children in the Provider's care.
- d. In cases of a federal/state/locally declared emergency situation, or other special circumstance, the Department may waive the absence policy.

16. Provider agrees to notify the Department promptly when Provider rates change. A new Provider Rate Agreement form and appropriate verification of new rates (notice to caregivers of change) will be required at that time. Department agrees to provide a new CCAP 10 for each CCAP eligible child for whom the Provider rate has changed. Provider agrees to complete and ensure return of the CCAP 10 to the Department. Department agrees to change the payable rate, subject to the state maximum rate, effective the first of the month following receipt of the new Provider Rate Agreement and verification of the new rates to the Department, if the new CCAP 10 is postmarked or received timely.

**17. Tracking of Times Services (TOTS)**

- a. Provider must participate in the Tracking of Time Services (TOTS) to capture time and attendance and possess the minimum equipment necessary to operate the system which includes a working internet connection at the center.
- b. Provider agrees to report problems with a Point of Service (POS) device or finger image scanner to the ACS Providers Help Desk AND the Department within 48 hours of failure.
- c. In addition to using TOTS, Provider shall keep a required daily attendance log for children, including arrival and departure times, for each child. The daily attendance log must contain the minimum required information as outlined in CCAP 15R (Provider Payment and Reporting Responsibilities). If transportation is provided, a daily transportation log is also required. A sample attendance log may be found at [www.louisianabelieves.com](http://www.louisianabelieves.com).
- d. Provider has allowed an improper check in and out or submitted invoices for payment when the Provider knew or should have known that the electronic information or information contained in such invoice was false.
- e. Provider shall notify the Department immediately of the removal of any child from its care so that payment from the Department for that child can be discontinued.
- f. In the event an invoice is required, the Provider must complete and submit a CCAP 40 form (Child Care Provider Manual Payment Request Remittance Advice) or a CCAP 15ICP (Semi-Automated Invoice). These forms must be accompanied by the corresponding attendance record(s). Provider agrees to submit the invoice and all corresponding attendance record(s) within seven calendar days of receipt. Payments will be made upon approval to the Provider by Department from state and federal funds by state warrant.

18. Provider agrees to furnish the Department with such reports as are required by the Department in such format as is prescribed by the Department.

**19. Inspections**

- a. Provider shall allow inspection of the center by Department staff and other authorized inspection personnel and caregivers of children in care, during normal hours of operation and when children are in care.
- b. Provider shall promptly admit representatives of all regulatory and funding agencies during normal hours of operation and when children are in care.
- c. Provider shall cooperate and participate fully in any such inspections, and the director, director designee, or other person responsible for the operation of the center will make the center and physical plant fully accessible for inspection.

**20. Audit**

- a. Department staff or representatives and the Provider will carry out the requirements to monitor and conduct fiscal audits at reasonable times. Department's authority to monitor and conduct fiscal or program audits applies to the Provider to the extent of the services furnished under the terms of this Agreement.
- b. Provider will give representatives of the Department and of the U.S. Department of Health and Human Services (HHS) access at reasonable times to all books, records, and supporting documents related to CCAP assistance and kept by the Provider for purposes of inspection, monitoring, auditing, or evaluation by Department of HHS personnel.
- c. Provider will retain supporting fiscal documents (invoices, remittance advices, attendance logs, etc.) adequate to insure that claims for matching federal funds are in accordance with federal requirements. Provider will retain such documents for three (3) years after close of the state fiscal year (July 1 through June 30) in which services are provided.

**21. Term of Agreement**

- a. This Agreement will become effective upon full execution by the parties hereto.
- b. Department shall incur no liability for payment for child care for any child until the Provider has received from the Department a notification of eligibility and payment amount for that child.
- c. All payments by the Department to the Provider under this Agreement shall cease immediately upon termination of this Agreement.
