7. Provider will comply with all aspects of Bulletin 139—Louisiana Child Care and Development Fund Programs as follows, but not limited to the following:
8. Provider understands and agrees that provider is entering into this Agreement in an independent capacity and that neither the provider nor any of the owners, officers, directors or employees of the early learning center are hereby made employees of the state or federal government or entitled to government benefits.
9. Agreement covers a single provider and location. This Agreement covers the center located at the licensed address provided on page one and is not transferable to another location of the same provider or to another provider.
 - a. Provider shall furnish care to CCAP eligible children at the center located at the licensed address provided on page one.
 - b. This Agreement does not cover care provided at any other address, care provided by any other provider nor payments for such care.

Caregiver Ineligibility for CCAP Payments

10. A caregiver, even if certified to receive CCAP, may not receive CCAP payments for the caregiver's own children, foster children, or other children in the caregiver's custody.

Caregiver Access.

11. Provider shall allow caregivers to visit their children and the center at any time during the center's regular hours of operation and when children are present.

12. This Agreement does not guarantee the placement of any child in the provider's center. The Department does not recommend any provider for child care services; it is the right of parents/clients to make this choice from among all participating providers in their area.

13. Providers are prohibited from the use of corporal punishment such as, but not limited to, spanking, whipping with a switch or belt, arm twisting, or washing mouth with soap or other foul-tasting substances.

Emergency Preparedness:

Rates:

15. Provider shall not charge the caregiver of a CCAP eligible child, including Foster care, any more than the maximum rate charged to any caregiver who is paying privately for the same child care service.

- a. Copay Requirements
 - i) Federal CCAP rules require that the provider must charge caregivers the rate provided on the current CCAP 10 form and must collect the difference between the rate charged and the amount of CCAP assistance received. This difference is the caregiver's "copay".
 - ii) Caregivers of children in foster care or in protective custody are not obligated to pay the copay because the CCAP subsidy percentage paid for children in foster care or protective custody is 100 percent of the maximum state rate or the provider's rate, whichever is less.
 - iii) Caregivers of a child in foster care or protective services may choose to place his/her child in a center with a rate that is higher than the maximum state rate, but the caregiver is responsible for the difference between the maximum state rate and the provider's rate. Arrangements for

the payment of this difference are between the caregiver and the provider. The Department will not be a third party to such an Agreement or responsible for any additional payments above 100 percent of the maximum state rate.

Payments to provider:

16. a. Payment to the provider will be based on a percentage of either the provider's actual charge or the state maximum rate for the authorized services, whichever is less.
 - b. Payment will not be made for absences for more than five days for a child in any calendar month or for an extended closure by provider of more than five days in any calendar month. A day of closure, on a normal operating day for the provider, is counted as an absent day for the child in the provider's care. If a child authorized for full-time care attends child care less than four hours in one day, this will be counted as a half day absent and half the daily rate will be paid to the provider. No absences will be paid for part-time care.
 - c. Payments will not be made for any days after the last day that authorized care was provided. Days when the provider is unable to provide care will count as days of absence for the children in the provider's care.
 - d. In the event an invoice is required, the provider must complete and submit a CCAP 40 form (Child Care Provider Manual Payment Request Remittance Advice) or a CCAP 15ICP (Semi-Automated Invoice). These forms must be accompanied by the corresponding attendance record(s). Provider agrees to submit the invoice and all corresponding attendance record(s) within seven (7) business days of receipt or document expiration date. Payments will be made upon approval to the provider by Department from state and federal funds by state warrant.
 - e. In cases of a federal/state/locally declared emergency situation, or other special circumstances, the Department may waive the absence policy.
17. Provider agrees to notify the Department promptly when provider rates change. A new Provider Rate Agreement form and appropriate verification of new rates (notice to caregivers of change) will be required at that time. Department agrees to provide a new Report of Changes (CCAP 10) for each CCAP eligible child for whom the provider rate has changed. Provider agrees to complete and ensure return of the CCAP 10 to the Department. Department agrees to change the payable rate, subject to the state maximum rate, effective the first of the month following receipt of the new Provider Rate Agreement and verification of the new rates to the Department, if the new CCAP 10 is postmarked or received timely.

If transportation is provided, a daily transportation log is also required. A sample attendance log may be found at www.louisianabelieves.com.

Inspections:

- 19. a. Provider shall allow inspection of the center by Department staff and other authorized inspection personnel and caregivers of children in care, during normal hours of operation and when children are in care.

- c. All payments by the Department to the provider under this Agreement shall cease immediately upon termination of this Agreement.

Suspension of Provider's Certification:

- 22. a. When the Department determines the provider is not in compliance with an administrative requirement, the Department may send written notice by mail or email informing the provider of the administrative noncompliance and requiring that the provider come into compliance.
- b. If the provider does not come into compliance within 14 calendar days of such notice, the Department may suspend payments to the provider until the provider is in compliance.
- c. The Department shall notify the provider by either email, mail or fax that it has suspended the provider's payments within two calendar days of suspending the payments and shall include language informing the provider that it has an additional 14 calendar days in which to come into compliance or its certification may be terminated.

Internal Revenue Service, Levy, Seizures:

- 23. Pursuant to La. R.S. 47:1572, the Department has a legal responsibility to comply with the terms of a withholding order, levy or lien as issued by a court or a government agency until it is released or the liability is satisfied.
