

Community Eligibility Provision (CEP) Schools

The Community Eligibility Provision (CEP) is a non-pricing meal service option for schools and school districts in low-income areas. CEP allows the nation's highest poverty schools and districts to serve breakfast and lunch at no cost to all enrolled students without collecting household applications. If your child was attending a CEP school at the time school facilities closed as a result of COVID-19, they are eligible to receive Pandemic EBT benefits. To learn more about these benefits and to apply, visit <https://www.louisianabelieves.com/docs/default-source/covid-19-resources/louisiana-p-ebt-information-and-application.pdf>.
