

Working with Sounds

Simple Sentences and Counting Words

This skill is supporting students' listening skills with counting words in a sentence.

The student will listen to the sentence, repeat the sentence, then touch an item for each word they hear. They can use pennies, squares of paper, or fingers.

Sample sentences

- The telephone is ringing loudly.
- I like to eat cheese pizza.
- Today is Friday!
- There is a butterfly in my garden.
- I miss my teacher and friends.
