

Understanding what you read

Think alouds

A think aloud is getting a picture into the person's reading mind.

It helps students to verbalize their thinking. It also helps teachers or parents to know how the student is understanding the text.

Think aloud questions

- This reminds me of ...
- I wonder...
- This story is mostly about...
- I like..
- I dislike...
- I see...
- I predict...
- Why did?
- How did?
