## Parental Engagement - ALL APPLICABLE GRADES

**How are you keeping parents up to date on expectations, materials, etc.? (Check all that apply) \***

- Newsletters
- Robocalls
- Emails
- Texts
- Calls with teachers
- N/A
- Other

**(If "Other" is selected) What "Other" ways are you keeping parents up to date on expectations, materials, etc?**

## Technology

**What percentage of students have home Internet access (fixed/landline or cellular/hotspot/mifi)? \***

**Of students that have home internet access, for what percentage of them is the district providing the Internet access? \***

**What percentage of students have access to a phone that could be used for conference calls/learning? \***

The following three questions should total 100 percent.

**What percentage of students have access to a school-issued tablet/computer? \***

**What percentage of students have access to a tablet/computer that they can use regularly at home? \***

**What percentage of students DO NOT have access to a school-issued or personal tablet/computer. \***

**Total of three questions above (Calculates in survey)**

**What percentage of staff have the necessary technology including Internet access and computers to do their jobs at home? \***

# Staffing

**How frequently are you holding central office staff meetings? \***

- Daily
- Weekly
- Bi-weekly
- Monthly
- We are not holding regular district staff meetings
- Other

**(If "Other" is selected) Please describe the "Other" frequency with which you hold central office staff meetings \***

**How frequently are you holding principal meetings? \***

- Daily
- Weekly
- Bi-weekly
- Monthly
- We are not holding regular principal meetings
- Other

**(If "Other" is selected) Please describe the "Other" frequency with which you hold principal meetings \***

**How frequently are you holding school-level faculty meetings? \***

- Daily
- Weekly
- Bi-weekly
- Monthly
- We are not holding regular faculty meetings
- Other

**(If "Other" is selected) Please describe the "Other" frequency with which you hold school-level faculty meetings \***

## School Calendar

Please confirm whether your system is currently contingency planning for the following:

### Offering summer school, in-person or via distance learning \*

Yes

No

### Beginning next school year earlier \*

Yes

No

## Overall

### Where do you most need support in the next 3 months? (Check top three) \*

Diagnosing individual students' academic needs

Guidance on how to address students' academic needs

Identifying or accessing instructional materials that will address students' individual academic needs

Providing supports and related services to students with disabilities

Professional development for teachers to successfully provide distance learning

Technology access for students

Other

**Please only select your top three areas where support is most needed in the next 3 months.**

**(If "Other" is selected) Please describe the "Other" support you most need in the next 3 months**

**Where do you most need support in the next 6 months? (Check top three) \***

Diagnosing individual students' academic needs

Guidance on how to address students' academic needs

Identifying or accessing instructional materials that will address students' individual academic needs

Providing supports and related services to students with disabilities

Professional development for teachers to successfully provide distance learning

Technology access for students

Other

**Please only select your top three areas where support is most needed in the next 6 months.**

**(If "Other" is selected) Please describe the "Other" support you most need in the next 6 months \***
