

Emergency Care Options for Oschner Employees in Southeast Louisiana

Through federal funding available to Louisiana, Oschner employees seeking child care can access the following supports

Emergency Child Care Assistance Program (CCAP)

Through CCAP, Oschner employees can access subsidized care for children 12 and under at licensed Type III centers, or through registered and certified family child care and in-home providers. Learn more about emergency CCAP at this [link](#).

- To apply for emergency CCAP click [here](#) to fill out the application.
- To find a list of providers near you, go to <http://carefacility.doe.louisiana.gov/covid19/> .
 - Note: Providers accepting CCAP will be listed as Early Learning Center III, Family Child Care Provider, or In-Home Provider
- Once a family applies for and is qualified for CCAP, they may choose their CCAP-certified provider, and the state will pay the [maximum rate per day](#), based on the age of their child.
 - Note: If the CCAP certified provider charges above this rate, the family is responsible for the difference between the state's maximum rate and the provider's charge.
- Need help navigating child care providers? Reach out to you local resource and referral agency, [Agenda for Children](#).

Respite Care Locations (priority for children under 5)

Respite care is contracted child care provided at no cost to the family. In your area, respite care is provided for children 12 and under at the centers listed below. Families can reach out to the centers to determine if there is availability for them at the location most convenient to them.
