### Product Description

With its easy to implement format, its diverse and high quality book collection and embedded professional development, *Blueprint for Early Literacy* is a one-of-a-kind Prekindergarten curriculum. Designed to meet state and national standards, this developmentally appropriate and highly engaging curriculum centers around ten themes. Each comprehensive theme contains all the resources teachers will need including 40 reading and writing lessons built around children's literature, ideas for related activities and centers, tips on pedagogy and building classroom culture, and reproducible family letters and songs. In addition, *Blueprint for Early Literacy* includes a Curriculum Guide that provides the research and theory behind effective literacy instruction and assessments as well as numerous other theme-related manipulatives and materials.
