ORDER PROCESS

The District Customer may order subscription licenses and/or services offered under this Proposal by contacting the Lexia representative who will prepare an order quote which will detail the type, number units, and term of the Lexia subscription licenses and/or services, as described and at the prices offered under this Proposal, along with a unique quote number reference for the order quote. To confirm an order, the Customer may fax the quote, along with the applicable purchase order, to: (978) 287-0062, or send by email to the Lexia sales representative's email address listed in the quote. Note: Each purchase order must reference the correct quote number (provided on the applicable quote), and should include a copy of the quote. Lexia's receipt and acceptance of the purchase order will be the basis for order confirmation.

TERMS & CONDITIONS

**Prices included herein and in each order quote are exclusive of all applicable taxes, including sales tax, VAT or other duties or levies imposed by any federal, state or local authority, which are the responsibility of Customer. Any taxes shown are estimates for informational purposes only. Customer will provide documentation in support of tax-exempt status upon request. Pricing is valid 60 days. Lexia will invoice the total price set forth above upon Customer's acceptance. Payment is due net 30 days of invoice.

TERM

This quote serves as an Order Agreement and becomes effective upon its acceptance by both parties. The Product/Services purchased pursuant to this Agreement will begin on or about the start date set forth above and continue in effect for the Product/Service Term set forth above ("Subscription Period"). Unless otherwise set forth herein, all Product licenses shall have the same start and end dates, all Products are deemed delivered upon provisioning of license availability, and all Services must be used within the Subscription Period; unused Product licenses or Services are not eligible for refund or credit. Onsite training fulfilled with virtual training equivalency as needed. Virtual training equivalency = four (4) live online sessions for each onsite training day session. Without prejudice to its other rights, Lexia may suspend delivery of the Product/Services in the event that Customer fails to make any payment when due.

ACCEPTANCE

All Lexia Products and Services are offered subject to the Lexia Application License Agreement terms, available at http://lexialearning.com/privacy/eula (the "License"), as modified by the terms herein and in the applicable quote. By placing an order in response to a quote, Customer confirms its acceptance of the License and the terms and fees in the quote, which together, constitute the entire agreement between Customer and Lexia regarding the Products and Services thereunder (the "Agreement"). Customer and Lexia agree that the terms and conditions of the Agreement supersede any additional or inconsistent terms or provision in any Customer drafted purchase order, which shall be of no effect, or any communications, whether written or oral, between Customer and Lexia Learning relating to the subject matter hereof. In the event of any conflict, the terms of the Agreement shall govern.

Additional information:

- [Technology Specifications](#)

- **Brief description of the materials**

    Lexia® Core5® Reading, Grades PreK-5 is a technology-based, personalized reading program that provides a truly adaptive and individualized learning experience that enables students of all abilities to advance their reading skills in the areas of phonological awareness, phonics, structural analysis, fluency, vocabulary, and comprehension. This research-proven approach accelerates reading skill development, predicts students' year-end performance, and provides teachers with data-driven action plans to help differentiate instruction. The educator website, myLexia®, provides reports and resources for accelerating learning.

Technology Requirements:

Device (e.g., Desktop, Laptop, Tablet)	Desktop, Laptop	Desktop, Laptop	Laptop	Tablet
Operating System (Windows/Mac)	**Mac** macOS 10.15 or higher	**PC** Windows 10 or higher	**Chromebook** (including touchscreen) Chrome OS	**iPad** iOS 12* or higher * For the best experience, we recommend updating to the latest version of iOS. A minimum of iOS 14 is recommended. The Core5 app can run on iPads with iOS 12, but this is not recommended. Core5 does not run on iPads with iOS 11 and below.
Memory (RAM) (e.g., 4GB)	4 GB RAM (recommended), 2 GB (minimum)	4 GB RAM (recommended), 2 GB (minimum)	4 GB RAM (recommended), 2 GB (minimum)	1.9 GB for app (3.8 GB storage space for download)
Software Requirements (e.g., Office, Adobe, GameMaker etc….)	WebGL and Javascript must be enabled	WebGL and Javascript must be enabled	WebGL and Javascript must be enabled	
Hardware Requirement (Laptop)	Desktop or Laptop 1024x768 screen resolution (recommended)	Desktop or Laptop 1024x768 screen resolution (recommended)	Laptop 1024x768 screen resolution (recommended)	iPad (5th generation) or newer, iPad mini 3 or newer, iPad Air (all models), iPad Pro (all models)

Internet Connection (e.g., 1 Mbps, broadband)	Persistent Internet connection (required) Bandwidth: A typical student consumes 10MB of bandwidth per 5-min block (average rate ~0.4 Mbps). A classroom of 25 students consumes 750MB of bandwidth per 30-min session (average rate ~3.33 Mbps). Bandwidth need is typically higher just after students log in and decreases after a few minutes of use. A 15MB download occurs upon logging into the Core5 application.
