From Great Minds, the nonprofit that created *Eureka Math*, comes a new, text-based curriculum that brings coherent, knowledge-rich ELA content back into the classroom. *Wit & Wisdom* helps you meet the expectations of the standards while celebrating the world of knowledge with your students. See the frequently asked questions below to learn more about our *Wit & Wisdom* libraries.

How are texts selected?

We take great care in selecting texts for inclusion in our *Wit & Wisdom* curriculum by considering content, craft, and complexity in our text selection. Our curated libraries include content-rich texts that enable students to learn about the world by reading complex and rigorous literary and informative works.

What does a *Wit & Wisdom* Library include?

Each grade level library contains the complete listing of Core Texts for each module, including print and digital formats. Select the library type and the number of texts that best reflect your classroom needs.

Library Options

Complete Bundle- Purchase complete sets of Core Texts for each grade level module

Mixed Set- Purchase a combination of complete bundles and individual texts

A la Carte- Purchase individual texts to complement your existing classroom library

How many books should I order?

Based on an average classroom size of 30 students, our libraries provide recommended purchase quantities for each Core Text.

Full Class Set- One per student

Half Class Set- One for every two students

Group Reading- One per group

Read Aloud- One or two copies

Can I purchase a Core Text that has a different ISBN than what is listed on the *Wit & Wisdom* Library Guide?

Yes, you can purchase a text with a different ISBN. We encourage customers to purchase the texts with the ISBN listed in this guide as the book pages directly correlate with the *Wit & Wisdom* Teacher Editions.

How do I place an order?

Please contact Great Minds for a quote for the Core Text and Volume of Reading.

What are Volume of Reading texts?

Volume of Reading texts are additional, literary and informational texts that teachers can leverage for additional classroom instruction. Volume of Reading texts are not required; however, they are recommended as excellent options for independent and guided reading, vocabulary development, and building content knowledge.
