

QSM
QUALITY SCIENCE & MATH GRANT

QSM Updates & Grant Writing Workshops Dates

To support the Program's updated grant application and policies, the Quality Science and Math (QSM) Grant Program is excited to offer *QSM Grant Writing Workshops* in August and September to teachers interested in writing a grant for math, science, and STEM materials and equipment.

Led by Nathan Cotton, Bianca Deliberto, and Ellen Daugherty, the virtual workshops will guide teachers through the grant writing process and provide an in-depth breakdown of each section in the application. Teachers will also have the opportunity to attend office hours where they can work one-on-one or in small group with the presenters. The workshops are free and available to Louisiana PK-12 public school teachers.

QSM Grant Writing Workshop Dates:

- Saturday, August 14
 - Times: 9:00-11:00am
 - Office hours (optional): Saturday, August 14 from 1:00-3:00pm
- Saturday, September 11
 - Times: 9:00-11:00am
 - Office hours (optional): Saturday, September 11 from 1:00-3:00pm
- Wednesday, September 15
 - Times: 6:00-8:00pm
 - Office hours (optional): Thursday, September 16 from 6:00-8:00pm

QSM Grant Information

The QSM Grant Program was established for the purpose of providing Louisiana public school teachers with non-consumable instructional materials and equipment in math, science, and STEM.

- Grants of up to **\$1,000 are awarded to PK-3** teachers and **\$1500 to 4-12** teachers
- Applicants must be full-time classroom teachers assigned to teacher math, science, or STEM courses/subjects in a PK-12 public regular education program
- Public charter school teachers are eligible to apply
- Program has undergone revisions this summer that includes revised policies, application process, submission portal, and resources
- Grant portal will open and accepting submissions by or before Thursday, August 19, 2021
- Application Deadline: **Friday, October 1, 2021 @ 11:59PM**

Please visit lsu.edu/qsm for more information about the program.
