

LOUISIANA STATE REPORT CARD 2020-2021

A NOTE ON 2020-2021 REPORT CARDS

COVID-19 resulted in statewide disruptions to education in Louisiana in 2020-2021. Given this, federal requirements to produce school and school system letter grades were waived. As a result, no school performance scores or letter grades were produced. This report card therefore shows 2018-2019 performance scores and letter grades, as these are the most current results available.

LOUISIANA'S PERFORMANCE ON THE NATIONAL ASSESSMENT OF EDUCATIONAL PROGRESS (NAEP)

WHAT IS NAEP?

The National Assessment of Educational Progress (NAEP) is developed and administered by the Institute of Education Sciences. It is the largest nationally representative and continuing assessment of what America's students know and can do in various subject areas. Assessments are conducted periodically in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. Often called the "Nation's Report Card," NAEP provides information about trends in State and national student achievement over time and allows educational achievement to be compared across States.

A Note About 2020-2021 Comprehensive and Urgent Intervention Labels

Due to the impact of COVID-19 on school closures, official school performance scores and letter grades were not produced for the 2020-2021 school year. On October 20, 2021, the U.S. Department of Education approved a waiver request by the Louisiana Department of Education (LDOE) waiving most accountability requirements for the 2020-2021 school year. As part of that waiver, the U.S. Department of Education required the LDOE to maintain the existing list of schools in need of intervention from the 2019 release. As such, schools have not exited or entered intervention status from the 2019 release, and this list uses 2018-2019 school year data as the most recent year of data.

Definitions

- Comprehensive Intervention Required (CIR): School earned an overall letter grade of D or F for three consecutive years and/or a cohort graduation rate below 67% in the most recent year
- Urgent Intervention Required (UIR): School earned a subgroup score equivalent to an F for two consecutive years; school had an out-of-school suspension rate greater than twice the national average for three consecutive years
- Urgent Intervention Needed (UIN): School earned a subgroup score equivalent to a D or F in the most recent year
- On Track to Exit: A school is considered "On Track to Exit" for a given label if it meets the exit criteria for one year. A school "On Track to Exit" will exit a given label if it continues to meet the exit criteria in the next release of intervention labels.

CIR and UIR Targeted Support Implemented Evidence Based Strategies

ESSA requires states to publicly report the names of LEAs and schools receiving school improvement funds, the amount of funds received by each school and the types of strategies implemented in each school.

In 2020, Louisiana ran a competitive application process for 1003 funds as part of Super App, the application by which LEAs submitted plans for schools in need of improvement and requests for funds to support those plans.

Louisiana allocated the following awards to support schools in need of improvement. LEAs may use these funds to support eligible evidence-based strategies. These include but are not limited to:

- High quality curriculum, professional development, and assessments
- Partnerships with Individualized Graduation Planning partners
- Training and support for Content Leaders, Intervention Content Leaders, and Mentor Teachers
- Participation in the Louisiana Principal Fellowship Program
- Zone support from partners in Louisiana's largest school systems
