What is EC Learn?

What is EC Learn? - An Overview

EC Learn Canvas Catalog is the Louisiana Department of Education's Early Childhood online training and learning platform where early childhood providers can enroll and access certification courses.

During the first phase of ***EC Learn***, Health & Safety Training, including Medication Administration in Child Care, is being launched to support the need of early childhood workforce in obtaining continuing education courses as required by [Bulletin 137](#) and [Bulletin 139](#).

Within each individual's ***EC Learn*** Canvas Catalog account, early childhood educators can access and download certificates of completion for the required courses. In addition, certificates will be emailed upon successful completion of a course to the participant's registered email address.

What is EC Learn? - Benefits of EC Learn

The benefits of the **EC Learn** professional learning suite include:

- Training offered is free of charge to providers.
- Providers can support staff's enrollment in courses, regardless of group size, with flexibility around staffing schedules.
- Training certificates are more accessible.
- Providers have more control over training processes and can reduce potential deficiencies.
- Additional training will be offered periodically to support the growth and development of the EC workforce, including new teachers and administrators.

How Do I Successfully Navigate Through An EC Learn Course?

Each Health & Safety course is structured with the same format, which includes

- A Pretest - must be taken
- Section(s)
 - Videos
 - Lectures
 - Knowledge Check
- Review
- Final Exam

How Do I Successfully Navigate Through An EC Learn Course? - Pretest

Each Health & Safety course has a **Pretest** that must be taken in order to move through the sections of the course. Pretests provide participants with evidence of what they do and do not know, helping build a solid and accurate foundation for future learning.

The screenshot displays a course navigation interface. At the top, there is a section header 'Course Introduction' with a dropdown arrow on the left and a 'Complete All Items' button with a minus sign icon on the right. Below this, two items are listed:

- Introduction Lecture**: 100 pts Submitted, with a green checkmark icon on the right.
- Pretest**: 20 pts Submit, with a white circle icon on the right.

How Do I Successfully Navigate Through An EC Learn Course? - Sections

Each module or section has specific requirements that must be completed in sequential order to successfully complete the section and the course.

Click on **Get Started**.

The screenshot shows a course section interface. At the top, it says "Introduction Lecture". Below that, there are fields for "Due" (No Due Date), "Points" (100), and "Submitting" (an external tool). The main heading is "Introduction". The content area features a dark background with the title "Medication Administration in Child Care Licensing Training Regulations" and the subtitle "Introduction Lecture". Below the subtitle is a description: "An overview of the training and licensing regulations related to medication administration in child care". A blue "Get Started" button is positioned in the lower right of the content area, with a large blue arrow pointing up to it. At the bottom of the interface, there are links for "Details" and "Quiz Results". A circular logo for the Louisiana Department of Education is visible in the bottom right corner of the content area.

How Do I Successfully Navigate Through An EC Learn Course? - Sections

These assignments or videos contain embedded questions that will display during the video and must be answered by the participant before moving forward.

At the completion of the assignment (video), **Submit Quiz** before moving to the next section.

The screenshot displays a course page titled "Introduction Lecture". On the left, a navigation menu includes "Home", "Modules", "Grades", and "Quizzes". The main content area shows a "Quiz Completed" notification for "Medication Administration Child Care Knowledge Check". The notification text states: "This concludes the training introduction and information related to Medication Administration for child care centers. You finished the video and answered all the questions." Below the text are two buttons: "Submit Quiz" and "Replay". A blue arrow points to the "Submit Quiz" button. The Louisiana Department of Education logo is visible in the bottom right corner of the course interface.

How Do I Successfully Navigate Through An EC Learn Course? - Sections

Each section also has a **Knowledge Check** or practice quiz that participants must make a passing grade before moving to the next section.

These short quizzes are designed to review content covered in sections and to prepare the participant for the final exam.

How Do I Successfully Navigate Through An EC Learn Course? - Review

Each course has a final review of the important topics covered during the training that must be completed.

How Do I Successfully Navigate Through An EC Learn Course? - Final Exam

Each course has a **Final Exam**.

- Participants must score at least **80 percent** on the final exam in order to successfully complete the course.

How Do I Successfully Navigate Through An EC Learn Course? - Certification of Completion

Participants will be emailed a copy of the training certificate upon successful completion of the final exam.

How Do I View and Download A Certificate of Completion?
