
Edlink New User Account Set-Up and Access User Support Schedule

The following User Support sessions are available to all providers. During the months of July 2026 to October 2026, sessions occur every Monday from 10:00am to 11:00am CT.

These sessions are available to assist you with setting up your Edlink User account, securing access to your Center (s), along with assisting with any Edlink OPS Support Issues.

If you don't need support, but want to learn more about using Edlink OPS, please visit the Edlink Training page for user guides and instructional videos at <https://doe.louisiana.gov/early-childhood/edlink-training> or submit a Support Ticket at <https://askldoe.doe.louisiana.gov/hc/en-us>
