

EdLink New User Account Set-Up and Access Webinar Schedule

**Mondays 10am-12pm
July 14th-December 22nd, 2025**

The following webinar sessions are available to all providers. During the months of July to December, webinar sessions are available to assist you with setting up your Edlink account and securing access to your Center (s). This session will not address support issues, only account set-up and roles request instructions.

If you cannot attend a webinar session, please visit the Edlink Training page for user guides and instructional videos at <https://doe.louisiana.gov/early-childhood/edlink-training> or submit a Support Ticket at <https://edlink.supportsystem.com/open.php>.

Pre-registration is required, so please register early. The registration process is quick and easy; you only need to provide your name and email. After registering, you will receive a confirmation email containing the link to attend your upcoming webinar session. Same-day registration is allowed up to 30 minutes before a session begins. Please note that webinars will close 15 minutes into the session.
