## Edlink New User Account Set-Up and Access Webinar Schedule

---

The following webinar sessions are available to all providers. During the months of July 2025 to February 2026, sessions occur every Monday from 10:00am to 11:00am CT.

These webinar sessions are available to assist you with setting up your Edlink account and securing access to your Center (s). This session will not address support issues, only account set-up and roles request instructions.

If you cannot attend a webinar session, please visit the Edlink Training page for user guides and instructional videos at <https://doe.louisiana.gov/early-childhood/edlink-training> or submit a Support Ticket at <https://askldoe.doe.louisiana.gov/hc/en-us>
