

August/September 2024

LDOE EARLY CHILDHOOD EDLINK TRAINING SCHEDULE

The following training sessions are available to all providers. For the months of August and September, training sessions are scheduled for **Thursdays and Fridays (excluding holidays), beginning August 8th**. See below for specific days and times. All sessions require PRE-registration for access, so please register early. Same-day registration is fine, up to 30 minutes prior to start time. If there are no registrants, sessions may be cancelled.

The sessions below are for training purposes only. For Edlink support, please see the training page for user guides and instructional videos at <https://louisianabelieves.com/early-childhood/edlink-training>. For Edlink (system/technical) issues, submit a Support Ticket at <https://edlink.supportsystem.com/open.php>.

Thursdays beginning August 8th-September 26th

11:00AM-12:00PM

Staff Management and Entity Changes: This session explain how to access, complete and submit changes for your entity. This application includes changes of license type, changes of ownership, changes of location and general Entity information. You'll also be shown how to add, delete and edit your staff members within Renewals and Staff Management changes throughout the year.
