

Education

Overview

The Fast Forward Education (CIP 13) pathway has six Associate Degree opportunities through Nunez Community College, Louisiana Delta Community College, Louisiana State University - Eunice, River Parish Community College, and Southern University - Shreveport.

This program prepares students with a focus on the general theory and practice of learning and teaching, fundamental principles of educational psychology, teaching techniques, educational activity planning and management, school safety and health concerns, and the societal underpinnings of education.

Guidance Overview

This guidance is meant to help school systems and parents navigate the opportunities to complete an Associate Degree in high school. School systems should verify information with the post-secondary institution to ensure students are enrolled in the appropriate college classes to earn the associates degree. This guidance includes:

- [Post-Secondary Degree Paths](#) details all courses required for the Applied Associate Degree. The Applied Associate Degree has limited general education courses and is primarily designed to prepare students for immediate employment or career entry.
- [Secondary Courses not included in the Post-Secondary Program of Study](#) detail all courses the student must take prior to or in tandem with the college courses to meet secondary graduation requirements. Typically, these are courses students are scheduled to take in grades 9 and 10.
- [Capstone Credentials](#) details all Industry Based Certifications a student can receive to complete the Applied Associate Degree. Students working towards a Jump Start Diploma must complete at least one capstone credential to graduate.
- [High School Transcription](#) details the LDOE course code a counselor should use to transcribe the college courses that do not have a dedicated LDOE course code.

Post-Secondary Degree Paths Approved by BESE for Fast Forward

- **Nunez Community College:**
[Associate of Applied Science: Care and Development of Young Children](#)
[Associate of Science: Teaching Grades 1-5](#)
- **Louisiana Delta Community College:**
[Associate of Sciences: Teaching Grades 1-5](#)
- **Louisiana State University - Eunice:**
[Associate of General Studies: Concentration in Elementary Education 2+2](#)
- **River Parish Community College:**
[Associate of Science: Teaching Grades 1-5](#)
- **Southern University - Shreveport:**
[Associate of Science: Teaching Grades 1-5](#)
