

# MEET MIZZEN

Our purpose is to partner with the out-of-school time community to provide high-quality resources and experiences for youth serving professionals that spark curiosity, joy, and a love of learning for children and youth.

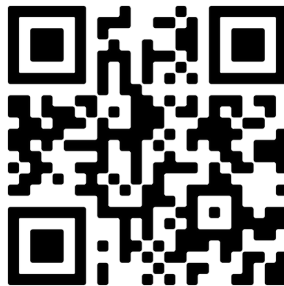

## WE BELIEVE IN POWERING ADULTS WITH EASY-TO-ACCESS CONTENT.

That's why we have a community of experts reviewing every piece of published content. Our vetting process ensures we prioritize activities and resources that enhance the learning experience for youth and the facilitation experience for educators.

## WE ARE MORE THAN JUST A DIGITAL PLATFORM.

Our community strives to amplify student and practitioner voice through experiences. Mizzen goes beyond its digital platform to include meaningful and authentic spaces for conversations, events, and reflections with other practitioners and organizations.

## Create your free account today!

## Mizzen in a Minute

Mizzen includes time-saving tools such as creating program/youth groups, content scheduling features, and in-app messaging between your team.

The Mizzen platform can be used on any device and is available as a web app and mobile app download on the Apple App and Google Play store.

In the Mizzen platform, you will find over 1,400 pieces of content that spans 10 content areas such as STEM, Health & Wellness, and Digital & Media Literacy. These pieces are created by experts in the field like Jazz at Lincoln Center, Pulitzer Center, PBS Student Reporting Labs, and !MpacT players.

## WE ARE ALWAYS EVOLVING.

Mizzen's central tenet is the belief that this work is not done alone. Our vision is to facilitate spaces that keep our community of practitioners and leaders connected and authentic.

*Through support from the Mott Foundation, this all-in-one tool is free to youth-serving professionals who are empowering young learners everywhere.*
