

FY2015-16 Business Manager Compliance Summary

Statutory Authority. R.S. 17:84.2 requires that each city, parish, and other local education agency (LEA) shall employ a business manager or chief financial officer who shall have the qualifications established by rules promulgated by the State Board of Elementary and Secondary Education (BESE). Title 28, Part XLI, Section 1301 of the BESE Administrative Code provides the following details regarding the minimum requirements for the Lead School Business Administrator/Chief Financial Officer/Business Manager.

- **Minimum Qualifications** - Must meet one of the following:
 - a baccalaureate degree with a minimum of 24 hours of business-related courses, such as accounting, finance, or management;
 - a certified public accountant licensed in Louisiana;
 - a master's degree in public or business administration.
- **Work Experience** - An applicant for a lead school business official shall have not less than three years of work experience in a field relevant to the duties and responsibilities of a lead school business administrator. Relevant areas shall include accounting, finance, or other areas of fiscal management.
- **Continuing Education** - All lead school business administrators must acquire Certified Louisiana School Business Administrator (CLSBA) certification by the Louisiana Association of School Business Officials (LASBO) within seven years of the date of hire as an administrator/chief financial officer/business manager and maintain certification while employed as a lead school business administrator/chief financial officer/business manager. A CPA license may be substituted for the CLSBA certification. The CPA license must remain in active status while employed as a lead school business administrator/chief financial officer/business manager.
