Commercial Driver Graduation Pathway: Sections	
1 **Pathway-Specific Courses**	This section lists the course titles and codes for courses specific to this pathway
	Each table also indicates those courses that qualify for the basic 6% CTE adder (*course codes beginning with "01", "04", "07", "08", "09", "10", "11" or "31" are CTE courses)* as well as those courses that qualify for the additional 6% Career Development Fund (or CDF) payment.
2 **Universal Jump Start Courses**	This section lists the course titles and course codes for courses that are part of every Jump Start graduation pathway
3 **Career Readiness Courses**	This section lists the course titles and codes for courses that qualify as Career Readiness Courses. Students must pass at least one Carnegie credit of Career Readiness courses, but may apply more than one Career Readiness course to their 9 credit Jump Start graduation requirement.
4 **Internships**	This section indicates the three types of internships and the appropriate course codes.
5 **Culminating Credentials**	This section indicates the required culminating credential(s) for this pathway.

6	Sample Schedule	This section provides a sample schedule for students pursuing this graduation pathway. Each high school will develop its own standard schedules for Jump Start students.

Jump Start Graduation Pathway Revision Policy

Jump Start graduation pathways are continuously updated. Please use the most updated graduation pathways.

Future changes to Jump Start graduation pathways will always increase student opportunities. **No one will ever need to compare an old pathway with an updated pathway.**

Please send any recommended graduation pathway changes to JumpStart@la.gov using the subject line: *Recommended Graduation Pathway Change.*

The Department reserves the right to make administrative updates to Jump Start graduation pathways, including but not limited to updating course codes, correcting errors on course codes, correcting spelling errors and other similar changes.

The Department reserves the right to delete courses no longer meeting state standards. When this occurs, the Department may add a section to the graduation pathway indicating: "Courses Deleted from this Graduation Pathway."

The Department reserves the right to make changes on credentialing requirements based on guidance provided by the Jump Start Graduation Pathways Review Panel. (Please see the *All Things Jump Start* web portal for information about this Panel.) The Department will also maintain contact with certifying agencies and the Workforce Investment Council (WIC) to update the Statewide, Core and Complementary credentials indicated in each graduation pathway.

Louisiana educators can seek assistance with Jump Start graduation pathways at any time by emailing their questions to JumpStart@la.gov

Help Resources

Internships, Cooperative Courses and Virtual Workplace Experience Courses

Cooperative courses, Virtual Workplace Experience courses, Pre-Apprenticeship and Internships (*with the exception of Non-CTE Internships*) are universal courses - they apply to every Jump Start graduation pathway.

Internships

There are three types of internships:

1) **CDF-Qualifying Internships** where students are placed in a company that operates in one of the WIC-approved high-demand industry sectors. CDF-Qualifying Internships qualify for *both* the 6% MFP adder paid for all CTE courses *and* the 6% Career Development Fund (CDF) adder;

2) **CTE Internships** where students are placed in a company that operates in any other industry sectors. CTE Internships qualify *only* for the 6% MFP adder for all CTE courses; and

3) **Non-CTE internships** where students are placed in a non-business internship. Non-CTE Internships do not qualify for any MFP adder. Examples of Non-CTE Internships include internships at a school office, a volunteer organization or a religious organization. **Non-CTE Internships are not part of any Jump Start graduation pathway.**

WIC-Approved High-Demand Industry Sectors

Internships that qualify for the 6% CDF payment _must_ be in a WIC-approved high-demand industry sector.

• Automotive Service/Repair	• Healthcare	• Manufacturing
• Construction Crafts	• HVAC	• Pharmacy
• Culinary (_only_ for students pursuing the statewide ProStart/ SafeServ credentials)	• Information Technology	• Transportation and Logistics

Culminating Credential(s)

To graduate using a Regional graduation pathway students must attain: 1) one Core credential or the equivalent LCTCS Certificate of Technical Studies / Technical Diploma; and 2) two Complementary credentials.

Students who graduate with Regional pathway credentials earn their school 100 accountability points.

Culminating Credential(s) / Certifying Industry Agency(ies)	**Core Credentials: students must attain one credential from the list below:**
	1) R.S. 32:408 B.(2)(a) and 405.1: Class "A" Commercial Driver's License - Combination Vehicles (18 years of age and above for intrastate) – Louisiana Office of Motor Vehicles
	2) R.S. 32:408 B.(2)(b) and 405.1: Class "B" Commercial Driver's License - Heavy Straight Vehicles (18 years of age and above for intrastate) – Louisiana Office of Motor Vehicles
	3) R.S. 32:408 B.(2)(c) and 405.1: Class "C" Commercial Driver's License - Light Vehicles (18 years of age and above for intrastate) – Louisiana Office of Motor Vehicles
	4) R.S. 32:408 B.(2)(d) and 405.1: Class "D" Chauffeurs Driver's License (17 years of age and above) – Louisiana Office of Motor Vehicles
	Complementary Credentials: students must attain two credentials from the list below:
	Recommended Safety Complementary Credentials
	1) Basic Safety Orientation - Association of Reciprocal Safety Councils
	2) First Aid for Students Certification – American Red Cross, American Heart Association, National Safety Council or approved equivalent or approved equivalent*
	3) OSHA 10 – General Industry - OSHA Certificate of Completion
	4) OSHA 10 – Construction - OSHA Certificate of Completion
	* - Jump Start policy is flexible in recognizing all legitimate First Aid programs. Currently-approved First aid for Student Certification include American Red Cross, American Heart Association and National Safety Council. If a district or charter school wants to use a different First Aid certification, they must provide Jump Start with evidence that their intended First Aid certification includes all required components as well as a practical certification. Successful completion of First Aid certification requirements in Regional and Integrated pathways may include First Aid only, CPR and AED only, or a comprehensive combination of First Aid, CPR and AED.

Pathway	Commercial Driver

	Recommended Computer Literacy Complementary Credentials 5) Internet and Computing Core Certification (IC^3) – Certiport 6) Microsoft Office Specialist Excel – Microsoft and Certiport 7) Microsoft Office Specialist PowerPoint – Microsoft and Certiport 8) Microsoft Office Specialist Word – Microsoft and Certiport **Other Recommended Complementary Credentials** 9) National Career Readiness Certificate WorkKeys Silver, Gold or Platinum - ACT 10) Complementary Micro-Enterprise Credential - BRAC (may not be used in conjunction with Regional Micro-Enterprise Credential) **Additional Approved (But Not Recommended) Complementary Credentials** 11) OSHA 3115 Fall Protection – OSHA Certificate of Completion 12) QuickBooks – Certiport (issue: this is a very demanding credential; students are encouraged to attain this credential, but it will be significantly more challenging to attain than the recommended Complementary credentials)
Credentials No Longer Authorized for this Pathway	**Complementary Credentials No Longer Approved for this Pathway** • HAZWOPER (not a Jump Start credential) • OSHA 7300 Understanding Confined Space Entry – OSHA Certificate of Completion • OSHA 7415 Construction Industry Hazards – OSHA Certificate of Completion See the Jump Start Policy Regarding OSHA Courses / Credentials (available for download from the Jump Start website) for additional details

Every Pathway Can be Adapted for Students Meeting the April Dunn Act Eligibility Criteria

Every Jump Start graduation pathway can be adapted for students with disabilities who meet the April Dunn Act eligibility criteria. Students must complete nine credits of CTE courses from the courses listed in the pathway. The IEP team has the authority to determine the credentialing level a student must achieve for the purposes of graduation (analogous to using individual performance criteria to meet EOC requirements for the purposes of graduation).

IEP teams with questions about how to adapt this graduation pathway for their student should contact JumpStart@la.gov
