

## HUMAN SERVICES

For incoming freshmen beginning 2020-2021

### OVERVIEW

The Human Services Jump Start 2.0 Pathway focuses on careers in early childhood development and services that nurture and teach children in the pre-kindergarten setting. Pathway coursework equips students to help individuals and families meet their personal needs while working in childcare centers, nursery schools, preschools, public schools, private households, family child care homes, and before and after-school programs. This pathway is also for students interested in careers providing professional services to children and adults. These careers include cosmetologists, barbers, hair stylists, clothing tailors, estheticians, and spa attendants.

### COLLEGE AND CAREER CONNECTIONS
