**National Institute For Automotive Service Excellence
Local Training Provider**

Using either google.com or the ASE website, find the closest Automotive Service training center and answer the questions listed below.

What is the name of the school?

What department offers Automotive Service training?

What specific programs are offered? How long does it take to complete these programs?

What are the entry requirements? (Do you have to have a high school diploma? Are there age restrictions? Is there a minimum GPA/GED score required? Do you need letters of recommendation?)

Reflection

Does the Automotive industry interest you? If so, what appeals to you most? If not, do you know anyone else that might be interested in learning about your research? What will you share with them?
