09-25	Unit 6 – Information Technology

Nepris Resources By Unit
==Live== mentor interactions with workplace experts in Louisiana's high-demand industry sectors are the most inspiring engagements students will have during this course. Your students will have the opportunity to directly connect with teams of professional, hear from them about their fields of expertise in real-time, and engage with unfamiliar workplace adults by conversing with them and asking thoughtful questions.

The below mentor requests should be submitted at least three weeks in advance.

See resource 02-09 for steps on how to easily copy these requests.
