

# STATE OF THE SECTOR PATHWAY INFORMATION

## Business, Management & Finance

### OVERVIEW

Business, Management, & Finance career opportunities are available in every sector of the economy and require skill in organization, time management, customer service and communication. If you want to run your own business, or help make a company successful, this field might be for you.

Businesses must focus on efficient, productive operations in order to establish themselves and stay in operation. Finance in particular is also a critical factor in a company's success and employs millions of people across the world.
