

## VIRTUAL WORKPLACE EXPERIENCE STUDENT WRITTEN SUMMARY

Your Virtual Workplace Experience should end with a written reflection of the work that you've completed and the workplace lessons you've learned.

Please answer the questions below using complete sentences and paragraphs.

1. Please indicate your name, your school and your teacher's name.

2. What did you accomplish during your Virtual Workplace Experience?

3. Which activities did you enjoy the most? Why?

4. Which aspects of your Virtual Workplace Experience did you find the most difficult or challenging? Why?

5. Did this experience shape your career outlook and goals?

6. How were your experiences with Nepris? Please describe and rate your mentors as very effective, somewhat effective, or ineffective?

7. What is something you would change for next year's students?
