

# JUMP START SUMMERS PROGRAM

## 2019 EVALUATION REPORT

**Funded by Supplemental Course Allocation (SCA) for a second year, 55 school systems and 3 private providers were approved to offer programs in the summer of 2019.**

**Jump Start Summers programs offered students the opportunity to:**

1. earn academic credits during the summer;
2. earn industry-based credentials (IBCs) in their areas of career interest;
3. engage in workplace-based learning by job shadowing and/or internship experiences;
4. receive a stipend based on attendance, engagement, and achievement.

### 2019 PARTICIPANTS

*(First time providers are in bold.)*

#### School Systems

- **Acadia**, Ascension, Avoyelles, **Baker**, Beaugard, **Bogalusa**, Bossier, Caddo, **Calcasieu**, Catahoula, Central, Concordia, **Dr. Martin Luther King**, East Baton Rouge, East Carroll, Evangeline, Grant, **Iberia**, Iberville, **Jackson**, Jefferson Davis, Jefferson, Lafayette, **Lafourche**, Landry-Walker, **Lincoln Preparatory School**, **Livingston Collegiate Academy**, Livingston, Monroe, Natchitoches, **New Orleans Charter Science and Math**, New Orleans Military & Maritime Academy (NOMMA), Orleans, Ouachita, Plaquemines, Rapides, **ReNEW Accelerated**, Richland, St. Bernard, St. Charles, St. Helena, **St. James**, St. John the Baptist, St. Landry, **St. Martin**, St. Tammany, Tangipahoa, Terrebonne, Vernon, **Warren Easton**, Washington, Webster, West Baton Rouge, West Carroll, Winn

#### Private Providers

- **New Orleans Career Center**, New Orleans Technical Education Provider (NOTEP), Operation Spark

### GENERAL PROGRAM INFORMATION

- Programs varied in length from 4-9 weeks.
- The typical program was 4 weeks in length.
- The majority of providers ran multiple programs.
- The average student stipend was \$939.
- Stipends based on attendance, engagement, and in many programs, IBC attainment.
- Several programs recruited students with disabilities.

### PROGRAM IMPROVEMENTS

- 42 returning providers from summer 2018 were approved for a 3-year cycle, so they were able to plan and recruit earlier in year 2 of implementation.
- 16 new providers were approved in 2019 for a 3-year cycle.

- There was a large increase in dual enrollment credit hours earned from 21 in 2018 to 472 in 2019.
- The average stipend increased from \$662 in 2018 to \$939 in 2019.
- Many students earned multiple credentials.
- The number of statewide, high value IBCs earned increased from 917 in 2018 to 1418 in 2019.

### PROGRAM RESULTS

	2018	2019
<b>Initial Student Enrollments</b>	1,531	2,131
<b>Fully Completing Students</b>	1,378	1,942
<b>Carnegie Credits Earned</b>	1,370.5	1,650
<b>Dual Enrollment Credit Hours Earned</b>	21	472
<b>Industry Based Credentials Earned</b>	1,553	2,223

### INDUSTRY BASED CREDENTIALS

Complementary/Core IBCs offer employability value in all industry sectors, but on their own do not qualify the credential holder to attain entry-level employment. They are typically regional IBCs that indicate credential holders have mastered basic knowledge and skills for industry sectors that are either lower-wage and/or concentrated only in specific regions of the state.

Statewide IBCs offer the greatest “employability value,” indicating that credential holders have mastered critical knowledge and skills essential to attaining entry-level employment in high-wage, high-demand industry sectors that will drive Louisiana’s future prosperity.

Credential Type	2018	2019
<b>Regional Complementary/Core</b>	624	805
<b>Statewide Basic</b>	821	1,157
<b>Statewide Advanced</b>	96	261
<b>TOTAL</b>	1,541	2,223

### NEXT STEPS

The Department approved Jump Start Summers providers for a three year cycle. The Department will continue to work with approved providers to provide quality programs and expand opportunities for students in years of the approval cycle. The Department will also work with additional school systems and providers wishing to gain approval to begin a Jump Start Summers program in 2020. The goal is expanding Jump Start Summers opportunities for all students, regardless of where they live, their academic interests, or their personal circumstances.

---

# PROVIDER RESULTS

---

*Note: Results include all of the approved programs, courses, and credentials, the number of students that started each program, and the number of students that attained the course credits and credentials in each program.*

## ACADIA PARISH
