VERIFICATION CODE

TIMOTHY A. ZILKE, *President*

ASE Entry-Level certification tests are designed to indicate a satisfactory level of practical knowledge-based readiness for the workforce in candidates seeking a career in the automotive service industry. Tests are available for the Automobile, Collision Repair/Refinish and M/H Truck segments (series).

STS codes for the ASE certifications are identified below. The certification document will have a minimum of one of the areas of demonstrated achievement. In order to use the STS# 125 (Advanced), the certification document must have a minimum of 3 from the list.
